Dear Sirs:

Thank you for contacting my re-election campaign and sending your questionnaire or survey. As a three-year incumbent Member of the U.S. House of Representatives, following five years of service in the California State Legislature, I have a long-standing policy of having my voting record stand as my position on issues.

If you have any questions about my voting record or position on specific issues, please feel free to contact my office at (202) 225-5611.

I remain respectfully,
